Panchayats - Forests - Kudligi Taluk:- Appayya Nahalli Panchayat - Draft amendment notification under Section 4 of the Madras Forest Act V of 1882 - Submitted.

Ref.- G.O. 993 Revenue, dated 5-5-1921.

(D)

I submit herewith a draft notification with sketch in triplicate under section 4 of the Madras Forest Act (V of 1882) in respect of an area of 490-26 acres added to the Appayyana - halli

placed below

Appayyanahalli Forest Panchayat of the Kudligi Taluk from the reserve of the Mysore State in accordance with the -- orders contained in para 4 of the G.O. read above. This area relates to the sketch No. XXXVI referred to therein. Changes consequent on the redemarcation of the frontier boundary between the Mysore State and the British territory relating to this case have already been carried out in the Revenue Accounts.

2. The notification may be submitted to Government for publication in the Fort St. George Gazette.

Letter from J.W. Pritchard Esq.,I.C.S., Collector of Bellary, Ref.No.B.2.5140/36.B.2 dated 28th June 1938.-

Forests - Kudligi taluk - S.No.1 - Appayanahalli Panchayat - Reservation of area - Notification u Sections 4 and 24 of the Forest Act - Submitted.

Ref.- Board's Ref.No.1.1933/37-1 dated 27-11-37.

According to G.O.No. 993 Revenue. dated 5-5-1921, t area of the portion (plot No. XXXVI) ceded to the Madras Presidency is Acs. 503. The area of the portion excluded from the Madras Presidency is not given in the G.O.

I invite Board's attention to this office letter R.Dis. C.No. 739/28.B.2 dated 3-1-1930, with which an errata list was issued to the Resettlement Register in consequence of the redemarcation of the frontier boundary. From the -- errata issued to S.No. 1 of Appayyanahalli village, it is seen that the area of the survey number was changed from -- Acs. 2535.50 to Acs. 3025.76. The area of the survey number was thus increased by Acs. 490.26. Deducting this

from

from the area of Acs. 503 as noted in the G.O. the excluded area works up to Acs. 12.74. There are no records to show exactly the area of the portions excluded and included and the draft notification previously submitted to Board for the reservation of Acs. 490.26 was prepared with reference to the errata list.

In order to prepare draft notifications for the reservation and disreservation of the portions included in and excluded from the Madras Presidency the Director of Survey, Madras was asked to furnish the correct area of the two portions. He has reported that on actual computation the area of the portion included was found to be Acs. 402.60 and that of the portion excluded to be Acs. 11.92. The net area - gained will be Acs. 390.68 and not Acs. 490.26 as mentioned in the draft notification referred to above. There is thus a difference of Acs. 99.58 between the actual area gained (Acs. 402.60) and the area of Acs. 503 mentioned in the G.O. Obviously the area of Acs. 503 mentioned at pages 6 and 10 of the G.O. is incorrect.

I enclose a draft notification under Section 4 of the Forest Act for the reservation of an extent of Acs. 402-60 which was ceded to the Madras Presidency and another under Section 24 of the Act for the disreservation of an extent of Acs. 11.92 which was excluded from the British Territory and added to the Mysore State. Plotted sketches in triplicate showing the portions excluded and included are enclosed. I request that the notifications may be published in the Fort St. George Gazette. After the publication of the notifications I shall issue necessary errata to revise the area of S.No. 1 of Appayyanahalli in the Forest and Revenue accounts.

What is the authority for the exclusion of 11.92 acres?

11.9.38

Reference -- Secretary's note on the previous page.

(D) The Correspondence and note in Fo. 993 Rev: dy 5.5.21 do not refer to the exclusion of a block from the British territory At the top of p 10 of the notes to the Fo it is stated as follows:

"The plot in dispute adjoins the Sanjivarayanikota State forest of Mysore On the British side it is bounded by S.No. 1* of Appayanahalli which is an extensive block of hilly country. It is probably a forest reserve. The area of the disputed plot is 503 acs.

'vide Statement at (E)

In the letter at pp 34-35 of the Fo this Govt. Stated that the land generally was of very little value and that it was desirable to adopt some general principle in deciding the question and that the only Satisfactory General principle in deciding the Question was to follow the lines of the Mysore Survey. The Mysore Govt. agreed to this and waived their claim for the possession of the disputed land.

p 36 of (D)

4/

The question of exclusion was not considered at the time of passing G.O. No. 993 Rev. dt 5.5.21. (D)

Part when S. No. 1 of Appaginahalli was resurveyed, the new boundary (See sketch at E) following the lines of the Mysore survey, the question of exclusion appears to have come in. The new and old boundaries are shown in red and green ink in the sketch* put up in the file. As the new S. No. 1 measured 2535.50 * (E) acres against the old area of 3025.76 acres. A on p 2-1-
Resulting in an increase of 490.26 acres; and as the area mentioned in G.O. 993 (D)
Rev. dt 5.5.24 was 503 acres. the Collector p 10 of (D)
took the difference of 12.74 acres. as the area of the portion to be excluded in the first instance
